

Clonbullogue Community Plan

The **Clonbullogue Community Amenity Group** represents **all of the community, voluntary and sporting groups in the area**. The aim of the group is to develop a **Community Plan** that will support the enhancement of community life in Clonbullogue.

In the next few weeks The Community Amenity Group, will be sending a community survey to every house in the area. The purpose of the survey will be to get your views and opinions on what it is like to live, work and play in Clonbullogue! The group would like to hear about what matters to you and your family. What you like about where you live, what services are needed, what needs to be improved in Clonbullogue.

In the mean-time keep an eye on your Post box and get your thinking hats on!
